**PUBLIC HEARING**

**Subject: Public Hearing on the Draft Digital Asset Trading Policy**

Public Hearing Period

From January 6, 2026

**ERX Company Limited (the “Company”)**

This document has been prepared to solicit feedback from stakeholders. You may submit your comments or suggestions to the Company at the following email address: [hearing@kucoin.th](mailto:hearing@kucoin.th)

The deadline for submitting comments is January 13, 2026, at 5:00 p.m. The Company would like to express our gratitude for your comments and suggestions.

## Background

The Company has revised the Draft Digital Asset Trading Policy to align with its operations as a Digital Asset Exchange for cryptocurrencies and digital tokens. As these changes or amendments concern digital asset trading rules on the Company's exchange and may impact the business operations or interests of users and relevant parties, the Company is conducting this public hearing to gather feedback from such individuals, as detailed in this document.

## Summary of Key Amendments

Proposed addition to the Digital Asset Trading Rules, Clause 1: Digital Asset Trading and Exchange Methods via the Trading System, covering the following topic:

**Price Protection Mechanism:** This mechanism is designed to protect investors from order matching at prices significantly higher or lower than their intended price, or which deviates materially from the market price. This applies during periods of market volatility caused by large order volumes or low market liquidity.

Customers can download the consultation documents regarding the Digital Asset Trading Policy, including both the pre-amended and post-amended versions, at this link:
